

The simplest way to steam

A compact, user-friendly solution for commercial use, the SO4500 excels at light- to medium-duty cleaning tasks. Suitable for all industry sectors, and all environments where vacuum recovery isn't a requirement, it is ideal for steam-only applications that don't require additional chemicals for sanitization.

- 4.5 bar steam pressure, with 1.8L boiler and 5L reserve tank
- Maximum continuous use: 6 hours, with continuous-fill boiler
- Locking front wheels and automatic safety shut-off
- Durable, powder-coated steel construction
